Dear Ms. Davis:

On behalf of the middle school administrators, teachers and students, I want to thank you for sponsoring the mock presidential primary election.

As our Civics students have been learning about primary and general elections in a classroom setting, your willingness to partner with us enabled students to experience firsthand the voting process, complete with ballots, privacy booths, voting machine and *I voted* stickers. As a result, we were able to demonstrate to students the expediency of voting; hence, encouraging them to be responsible citizens in the future. I also want to add a special thanks to Kherri and Zack for their professionalism in conducting the mock election.

We strive to provide our students a solid education, and we appreciate the efforts of the community to help us in this endeavor. For only by working together can we ensure our students are prepared for the challenges of the 21st century.

Sincerely,

A handwritten signature in cursive script that reads "Laurie J. Gaylord".
