Dear Governor Crist:

Supervisors of Elections throughout our great state are receptive to efforts that would enhance voter confidence. In this spirit, we look forward to continued dialog with you, Secretary of State Browning and the Legislature in ways to enhance that confidence. We are particularly pleased to learn that your plan includes complete funding for counties to enact the necessary changes.

Again, we stand willing to work closely with you to ensure that every voter in Florida will have confidence that their vote will be accurately counted.

Sincerely,

Terry Vaughan
President
Florida State Association of
Supervisors of Elections, Inc.

Governor Charlie Crist
