

# FSASE Proxy Vote

Article II. Section 5. Proxy Voting. When an active member of this Association is absent from a meeting of this Association, he/she may designate an associate member employed in his office or another active member to cast a proxy vote on his or her behalf, provided, however, that such person designated shall not hold more than one proxy. Such proxy shall be in writing, shall state on its face the duration of its validity and the place of the meeting for which its use is intended, and shall be signed over the seal of the office of the active member so designating, or a Notary Seal. Proxies may be faxed to member receiving proxy as long as the stamp of office or a Notary Stamp is shown.
