Re: CS/CS/CS/SB 600

Dear Senator Latvala:

This letter confirms our discussion today that the Florida State Association of Supervisors of Elections (FSASE) supports CS/CS/CS for Senate Bill 600 with the three amendments, which you discussed with Brian Corley, our legislative chair. The amendments to current CS/CS/CS SB 600 which were discussed were removal of the requirement that absentee ballots be witnessed, allowing the cure of an unsigned absentee ballot to be completed by the end of early voting and to not require a written request from an active military or UOCAVA voter when the absentee ballot is being sent to an address other than the one on file in the Florida Voter Registration System.

With those changes, CS/CS/CS SB 600 will be an excellent election reform bill, providing additional early voting locations, a tremendous increase in the available times for early voting while providing flexibility to counties throughout the state recognizing their different needs and population. Earlier today the Executive Committee of the FSASE reviewed the suggested changes to CS/CS/CS SB 600, agreed to those leading to the FSASE's endorsement and support of the bill with those changes.

Thank you for your support and assistance in providing the changes in CS/CS/CS SB 600 and expanding early voting. Please feel free to contact me, Brian Corley or Vicki Davis if there is any question.

Sincerely,

Ronald A. Labasky
